Back for Season 2!

The Quebec Riftbound League (QRL), presented by Imaginaire, offers all players the opportunity to prove that they are among the best in the province!

The objective is simple: win as many matches as possible during Nexus Nights in order to place within the Top 8 of your local store. Once again, we are offering a wide variety of prize products for the top-performing players!

In this new version, the league will be condensed into 7 weeks instead of 10, and only the 5 best performances will count toward the final standings!

Have a great Unleashed season, everyone!

🕒 To participate in the league: Come play during Nexus Nights!

All Nexus events will use the same format. Participation in Nexus Nights is the only requirement to participate in the league. Your scores will automatically be recorded, and there are no additional fees to enter the league.

- The league runs over 7 weeks, between the week of May 11 and July 13, inclusive.
- BO3 – 3 rounds per night – 50 minutes
- \$7 entry fee
- One Nexus Pack & one Unleashed booster will be given to every participant. An additional booster will be awarded to players who finish 3-0!
- Nexus Packs available while supplies last.
-

League points will be awarded as follows:

- 4 pts for a 2-0 victory
- 3 pts for a 2-1 victory
- 1.5 pts for a draw
- 1 pt for a 1-2 loss
-

📅 **The best 5 weeks out of 7 will count toward the final standings.**

This allows players to miss weeks without negatively impacting their ranking, while still rewarding consistency. We also want to encourage players to test different decks without hurting their standings. For example, a player attending every week could play Jinx for three weeks and still realistically qualify.

🎁 **League prizes will be awarded to either the Top 8 or Top 4 depending on participation levels.**

Top 4 prizes are guaranteed regardless of participation. Once a store averages more than 16 players per week, prize distribution will expand to a Top 8 structure.

Prize details can be found on the following pages.

The listed prizes are products from Set 4: Vendetta. Prize distribution will begin at the store location of your choice starting on the official release date: July 31, 2026.

📊 **Overall standings & store standings will be updated and published every week!**
