

LIGUE QUEBECOISE
(ET ONTARIENNE) DE
RIFTBOUND

RIFTBOUND
LEAGUE OF LEGENDS
TRADING CARD GAME

No Regional? No problem.

The Québec (and Ontario) Riftbound League (LQR), presented by Imaginaire, gives all players the opportunity to prove they are among the best in the province!

The objective is clear: win as many matches as possible during Nexus Nights to earn a spot in the Top 8 of your store.

In addition to seasonal prizes, players who finish in the Top 8 will receive an official invitation to participate in the league grand final, bringing together the best competitors from each participating store.

The league final will feature a total prize pool of \$2,000, including \$1,000 in cash awarded to the champion.

 **To participate in the league: Come play during Nexus Nights!**

- **All Nexus events will use the same format. Participation in Nexus Nights is the only requirement to take part in the league. Your scores will be recorded automatically, with no additional fees.**
- **The league runs for 10 weeks, from the week of February 16 to April 20 (inclusive).**
 - **BO3 – 3 rounds per night – 50 minutes**
 - **\$7 entry fee**
 - **100% of the entry fees will be redistributed as gift cards the same day!**
 - **Nexus Packs available while supplies last.**
 - **League points will be awarded as follows:**
 - **4 pts for a 2-0 win**
 - **3 pts for a 2-1 win**
 - **1.5 pts for a draw**
 - **1 pt for a 1-2 loss**

 **Your best 7 weeks out of 10 will count toward your final score.**

- **This allows players to miss weeks without negatively impacting their ranking, while still rewarding consistency. It also gives players the freedom to test decks without hurting their standings. For example, a player who attends every week could play Jinx for three weeks and still reasonably hope to qualify.**
-

 **League prizes will be awarded to the Top 8 or Top 4, depending on participation.**

- **Prizes for the Top 4 are guaranteed regardless of participation levels. When a store averages more than 16 players per week, prizes are adjusted to be awarded to the Top 8.**
- **The Top 4 (or Top 8) from each store will receive an invitation to the end-of-league tournament, which features a \$1,000 cash first prize, along with many additional prizes for participants. Prize details are available on the following pages.**
-

 **Overall standings and store-by-store rankings will be updated and published weekly!**

 **The top players from each store will be invited to an end-of-league tournament in Québec!**

***Grand Prize: \$1,000 in cash! **
